I am a sophomore studying microbiology at Barrett, The Honors College, Arizona State University. I enjoy lab work, and I pay close attention to detail and can follow specific instructions. My Fall 2022 semester GPA was 4.18 and my cumulative GPA is 3.74.

**Employment** May–Aug. 2022, Dec. 2022–Jan. 2023      Team Member, Sprouts Flagstaff

I worked as a cashier, handling cash precisely and interacting with customers. This position required precision and organization, and helped me improve both skills.

Sept. 2020–June 2021      Team Member, Chick-Fil-A Flagstaff

I worked in customer service, taking customers' orders and relaying their feed-back to my employer. I also gained experience with preparing beverages and processing payments.

**Education** Microbiology, B.S. Barrett, The Honors College at Arizona State University  
Aug. 2021–May 2025, Tempe, AZ

I entered my degree program as a biophysics major and switched to microbiology after my first semester. I intend to graduate with a microbiology B.S. diploma with honors. Additionally, I am earning a certificate in the history and philosophy of science.

Basis Flagstaff High School  
Diploma with Honors  
Sept. 2017–May 2021, Flagstaff, AZ

I graduated from the rigorous preparatory school with an honors diploma in 2021.
